47" LCD TV New Year Surprise for School Teacher

iProperty.com EXPO contest winners walk away with LG mobile phones and LCD TV

KUALA LUMPUR, 2 March 2010 – The iProperty.com Group (www.iproperty.com), Asia's leading network of property portals and owner of Malaysia's No.1 property website (www.iproperty.com.my) announced the winners of the "iProperty.com EXPO 2010 Contest" at an informal prize-giving ceremony at its headquarters.

The contest held in conjunction with the iProperty.com EXPO on 1-3 January 2010 saw over 1,000 participants submitting their suggested theme for the iProperty.com EXPO 2010. iProperty.com Malaysia selected a Grand Prize winner and three Consolation Prize winners based on the most creative suggestions.

57 year old school teacher, Tan Wei Yee's *'House and Home Décor: Where Ideas All Come Together'* earned him a 47" LG LCD TV Grand Prize. His inspiration? The iProperty.com EXPO exhibition itself. "It's a unique exhibition where property developers, house décor manufacturers and designers get together to offer the prospective house buyer an ideal platform to crystallize their dream home to be," he states.

Consolation Prize winners Lee Chee Leong (40), Tan Hui Ling (30) and Victor Teo (28) took home a snazzy LG GD900 mobile phone each. All prizes were given away by iProperty.com's Regional Marketing Manager, Christine Ang.

"Selecting a winner for this contest was quite difficult as the entries were all very creative. I am pleased to congratulate all the winners for their impressive efforts and ecstatic with the fantastic response this contest has received," said Country Manager of iProperty.com Malaysia, Ken Tsurumaru.
